

Streeter & Associates

PASSION FOR DESIGN, COMMITMENT TO CRAFT.

Founded in 1985, Streeter & Associates is an award-winning premier builder specializing in custom homes, renovations, lofts, and condominium projects. With a unified passion for design, a mastery of detail, and a commitment to craft, we build and remodel homes in collaboration with leading architects and designers. Elevation Homes is the newest division of Streeter & Associates—offering streamlined custom homes available through a simplified and proven design/build process.

OUR SPECIALTY:

Streeter & Associates offers a trusted and personal approach characterized by our willingness to listen and our commitment to collaborate. We have a reputation for distinctive craftsmanship, building and remodeling timeless modern and traditional homes of every size, scope, and architectural style.

OUR MOTTO:

Passion for design. Commitment to craft. Legacy of great work and lifelong relationships.

WHY STREETER?

As an architectural builder, we show respect for the team and homeowners goals, wishes and concerns—and earn our reputation and trademarks of trust, quality, and confidence with every unique project we undertake.

“Today’s homes include a variety of materials and updated technology ideas customized to benefit a client’s lifestyle and needs.”
